In the name of Allah, the Gracious, the Merciful

Praise to Allah who gave victory to his soldiers, supported his slaves, and defeated the parties alone.

To the brother, the city emir, may God preserve you,

Peace be upon you and God's mercy and His blessings.

Subject/ Response to a complaint

We send you the testimony of the sister, Umm Khattab al-Zarqawi, and inform you that the stolen items are mentioned in the testimony. The sister was only requesting financial assistance and does not want to file a complaint because it was done by young kids.

And God is the granter of success, and may He reward you the best.
