**In the name of Allah, the Gracious, the Merciful  
To the brother, the emir of the Northern Sector  
Subject - Guidance to the brothers**

All praise is due to God, and peace and prayers be upon the Prophet of God.

Peace be upon you and God's mercy and His blessings.

We received a complaint that the way the brothers at the checkpoints of the Northern Sector treat the common Muslims is not good, which causes a reaction among the commoners. Therefore, we ask you to alert the brothers and raise the names of the violators to punish them and raise the names of the good ones to reward them.

We ask God to make you useful for Islam and Muslims.
